Please pay attention to parking!

As a new theatre and a cornerstone to the revitalization of downtown Worcester, we have a vested stake in making certain that each and every visit to The Hanover Theatre is a positive experience for all, from start to finish. In several cases over the past few months, the experience of a number of our patrons was tarnished by finding that upon leaving the theatre, their cars had been towed from a nearby parking lot. Please be sure to park your car in an authorized lot or garage to avoid being towed.
