Worcester, Mass. (September 10, 2021)

“BREATHTAKING. A remarkable and boundlessly compassionate and humanistic piece of theater.” – *Chicago Tribune*

After a mix-up at the border, an Egyptian Police Band is sent to a remote village in the middle of the Israeli desert. With no bus until morning and no hotel in sight, these unlikely travelers are taken in by the locals. Under the spell of the desert sky, their lives become intertwined in the most unexpected ways. [The Band's Visit](#) celebrates the deeply human ways music, longing and laughter can connect us all. [The Band's Visit](#) tells a delightfully offbeat story, set in a town that's way off the beaten path, a band of musicians arrive lost, out of the blue. Under the spell of the
