Menopause The Musical is a groundbreaking celebration of women who are on the brink of, in the middle of, or have survived "The Change." Now celebrating 18 years of female empowerment through hilarious musical comedy, *Menopause The Musical* has evolved as a "grassroots" movement of women who deal with life adjustments after 40 by embracing each

other and the road ahead. The show is enlightening, enriching and empowering; it's transformational for everyone in the audience!

Set in a department store, four women meet by chance while shopping for a black lace bra at a lingerie sale. After noticing unmistakable similarities among one another, the all-female cast jokes about their woeful hot flashes, mood swings, wrinkles, weight gain and much more. These women form a unique bond with the entire audience as they rejoice in celebrating that menopause is no longer "The Silent Passage." Inspired by a hot flash and a bottle of wine, the show was created as a celebration of women and "The Change." The laughter-filled 90-minute production gets audience members out of their seats dancing and singing along to parodies from classic pop songs of the 60s, 70s and 80s. *Menopause The Musical* has entertained more than 18 million fans worldwide. It has played every state in the continental U.S. and more than 500 cities worldwide, has been translated into nine languages, and will open in Paris and Lisbon later this year.
