If the phrase “male a cappella group” conjures up an image of students in blue blazers, ties, and khakis singing traditional college songs on ivied campuses… think again.

Straight No Chaser are neither strait-laced nor straight-faced, but neither are they vaudeville-style kitsch. They have emerged as a phenomenon with a massive fanbase and a long list of accomplishments including 2 RIAA Gold Certified albums, over 1.5 million concert tickets sold, over 1 billion streams on Pandora, and over 2 million albums sold worldwide.

Straight No Chaser is the real deal, the captivating sound of nine unadulterated human voices coming together to make extraordinary music that is moving people in a fundamental sense… and with a sense of humor. On the road, Straight No Chaser has built a reputation as an unforgettable live act.

After a totally fly 2024 summer tour packed full of 90s boy band, pop, and R&B hits, RIAA-certified Gold a cappella group Straight No Chaser is back by popular demand with *Straight No Chaser Summer: 90s Part 2*. For the full tour schedule and more details, visit SNCMusic.com. Featuring their own twist on 90s classics like Lisa Loeb's "Stay (I Missed You)," "Everybody" by Backstreet Boys, "Linger" from The Cranberries, and Santana's "Maria Maria," Straight No Chaser brings audiences of all ages back to a simpler time, one unafraid of bright neons, loud prints, and cool boy bands.

"The 90s were a time when music impacted people in a way that only nostalgia can recreate," said Straight No Chaser member Seggie Isho. "We felt that connection with audiences last summer. Our fans are ready for more of that throwback magic and we're ready to bring it! It's not just about the songs though; it's about reliving the energy, the vibe, and those unforgettable moments. Plus, we've got new 90s inspired fits, new music, and even more hair gel (for some of us). Get ready to party!"

Tickets are $49, $59, $69 and $79 depending on seat location. Please contact the box office at 877.571.7469 or visit TheHanoverTheatre.org for more information.
