

STORYTELLING

Recommended Grades:

Grades 6-8 | Grades 9-12

In this unique workshop, classes get a chance to reflect on personal stories and work on crafting the story into the best format for presentation. Participants work individually and in small groups. Exercises in presence, eye contact, vocal projection and clarity are also explored. Everyone has a story to tell – let our expert facilitators guide you through helpful exercises to share that story with their teammates.

Topics Covered: Retelling Story, Plot and Story Structure, Character Development, Setting, Theme and Mood, Point of View, Speaking and Listening, Writing
